

PERSONAL CHEF SERVICES

Life gets busy.
Food shouldn't add to your stress.

Does a demanding schedule make it hard to feed yourself or your family proper nutrition? Are your dietary habits causing medical problems? Dread cooking dinner every night?

Don't sacrifice health for easily avoidable issues.

The Process

- 1. Collaborate with Chef Susie to create a schedule, process and menu efficient for you.**
- 2. Enjoy healthy and delicious meals!**

Special Requests

Chef Susie follows special requests precisely to specification. She is happy to accommodate any food allergies or preferences such as gluten-free and organic only.

Call Chef Susie's at (214) 543-6393 for a free consultation.
